

Accomplish Quilting Juried Show and Contest

Accomplish Quilting announces its first ever juried show. Bright colorful quilts are sought for our 2007 show schedule and marketing materials. Quilts selected for entrance into this contest may be pieced by anyone, but must be quilted on any Gammill model by an Accomplish Quilting customer. Both art quilts and traditional quilts are sought. Don't be afraid to show us trapunto, thread drawing, appliqué and any new technique you have been playing with. Preference will be given to quilts that are saturated in color as they show up better in photographs for our newsletters and catalog. While white on white quilts are beautiful, they are hard to fully appreciate in photos. A small group of quilts will be selected to travel with Accomplish Quilting and be displayed in our trade show booth during the 2007 show schedule. Selected quilts will have the option of offering your quilt to be photographed, to travel or both. Quilts pictured in our marketing materials will be credited whenever the image is 2 inches or larger. We will aim to credit you in every photo of the quilt. Winners will also have the opportunity to have their quilt professionally photographed in a real photo studio by an award winning photographer. Accomplish Quilting will share copies of the photos of your quilts with you digitally for your personal use. All entries selected will be credited on our website, as well as announced in an upcoming newsletter article. Entries due August 18, 2006. Download a PDF of the entry form and rules of entry at www.accomplishquilting.com – Don't forget to enter. Take advantage of this opportunity to have your quilts seen by thousands.
